

Dear Sirs,

This letter is a note explaining my position on NAB's petition 04-160. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand, enjoy, and pay for.

Best regards,
Robert Roschen
